## SONG OF WATER

- Duration: 45mn
- 3 or 4 performances per day: 1 performance per hour  
(*If the duration of the performance is reduced, the show can be performed 6 times per day*)
- Capacity:
  - o 30 spectators in deckchairs
  - o 50 spectators around

### **Preamble:**

The playing area is made up of 30 deckchairs and 2 chairs (see photos) and a visually separate area, if possible, for the distribution of sleep masks.

### **Performance areas:**

2 spaces are required:

- Public reception area to unfurl the rope held by the public.
- Show area: 30 deckchairs will be set up in 2 or 4 rows.

### **Technical needs:**

- 1 chair for the harp musician
- 2 extra chairs (for seniors who can't bend down)
- 30 deckchairs - *If you don't have the 30 deckchairs, we can provide a technical service.*
- 1 Stage Manager

### **The company provides:**

- 3 megaphones
- A rope
- A harp
- 90 sleep masks

### **Team and travel:**

The team is composed of 4 artists who can travel by train if the scheduler has the 30 deckchairs. This type of transport is more environmentally-friendly and cheaper.

We can, however, come by thermal vehicle accompanied by our main stage manager and our own deckchairs.
